Minutes:

CHAIRMAN DAVENPORT declared the Public Hearing open.

ANDY REED, Planning and Development Department explained that there are two taverns and a convenience store with liquor sales in close proximity and stated that additional package liquor sales use is not warranted.

PLANNING COMMISSION MEETING OF: DECEMBER 6, 2007

RUBY ABRAHAM appeared on behalf of the applicant. She was uncertain as to why the application was being denied. MR. REED explained that there is another convenient store as well as two taverns in the vicinity and this constitutes saturation to the area. MS ABRAHAM explained that the applicant currently has packaged liquor sales for beer and wine and is requesting the special use permit to sell hard liquor.

COMMISSIONER STEINMAN was curious as to what would have changed in the area that would justify transforming the convenience store into a liquor store. MS. ABRAHAM replied that the customers had asked for this.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
